[Despatch Abstract.]

PORTS . Mangalore - Exhibition of light at night in the inner
harbour - Expenditure -Sanctioned.

....

From the Port Officer, Mangalore.
To the State Port Officer, Madras.
No.3306/52-1, dated 18-11-1952.

After the monsoon 2 bars have formed, an inner and outer bar, as per sketch enclosed, it was expected that the inner bar would disappear by November, but this has not been the case.

In order to facilitate safe navigation at night the leading lights have been shifted to the spit to lead on the outer bar, another light is necessary at the inner bar and I am arranging for a Pilot Boat to anchor in the position at night and exhibit a white lantern, there is a 40 gallon drum placed in this position for day navigation. The cost will be Rs.5/- per night and the light will only be exhibited when night work is in progress and tug or boats are using the bar, the anticipated expenditure will be between Rs.40 and 80 per mensem and may be met from the provision under "Hired labour" in the sanctioned Budget Estimate of the State Mangalore Landing and Shipping Fund for 1952-53.

I request your approval.

No.1945-A/52-1

Copy ~~for~~ submitted to the Government, Public Works Department, Madras.

2. I request, that Government may be pleased to accord early sanction for incurring a recurring expenditure of Rs.40/- to Rs.80/- per mensem for the exhibition of a light at night in the inner harbour of the port of Mangalore. This is considered very essential as the bar is very bad.

3. The expenditure is debitable to Mangalore Landing and Shipping Fund.
